Carleton-sur-mer, June 11th 2025: The 16th Rencontres de la photographie in Gaspésie will take place this summer in 11 municipalities, towns and national parks on the peninsula. Presented for the most part outdoors, the exhibits and installations will showcase the work of 14 artists from Québec and abroad, between July 15 and September 30 (with a few exceptions).

PASSAGES is the theme of this 16th edition, exploring the passage of time, the traces left by encounters, friendship, forgetfulness, and absence.

This year, new locations are enriching our exhibition trail across the Gaspé Peninsula. We are delighted to be welcomed by **the municipality of Mont-Louis**, which will host Cassandra Reynolds' exhibition *Plante père*, as well as by **the Gare de Matapédia - Artistique and Community Pole**, where Jocelyne Alloucherie's projection *HOBO* will be presented.

Les Rencontres continue to foster international cooperation through new collaborations this year with **Diaphane - pôle photographique en Hauts-de-France** (France), the **Gibellina Photoroad Festival** (Italy), and the **FOTOZOFIO Festival** (Japan).

These partnerships take shape through reciprocal exhibitions: international artists are showcased in Quebec, while Quebec photographers exhibit abroad.

The artists participating in the project this year are: **Daide Degano** (Italy), **Alessandra Calò** (Italy) and **Eliane Excoffier** (Quebec) in collaboration with the Gibellina Photoroad Festival, **KAI Fusayoshi** (Japan) and **Serge Clément** (Quebec) with the FOTOZOFIO Festival, and **Stéphane Duroy** (France), **Maude Arsenault** (Quebec), and **Judith Bellavance** (Quebec) with **Diaphane -pôle photographique en Hauts-de-France**.
